<p>In August 2020, Laurel County Health in Motion welcomed the members of Laurel County Regional Opioid Response Consortium (LCRCORP) in a merging of the two groups. This was due to the conclusion of the grant that established LCRCORP as well as as shared mission to impact SUD in Laurel County.</p> <p>*indicates an organization that works with a potentially vulnerable population - Vulnerable populations are at risk for disparate healthcare access and outcomes because of economic, cultural, ethnic or health characteristics. Vulnerable populations include patients who are racial or ethnic minorities, children, elderly, socioeconomically disadvantaged, underinsured or those with certain medical conditions. Members of vulnerable populations often have health conditions that are exacerbated by unnecessarily inadequate healthcare.</p> <p># - indicates a individual who was originally a member of LCRCORP ^ indicates an individual who originally had dual membership on HIM and LCRCORP</p>
